

Jalber (pronounced Halber) was wonderfully healed from cirrhosis pancreatitis and lymphoma in Cali.

Rafael was healed from bowel and anal cancer in Cali Hospital having been given only days to live. He went home just after this picture was taken.

Since 1979, God has called Paul to trust Him for ministry, home, and finance. He has no salary, but looks to the Lord and His people to meet the growing costs of sharing the Good News. He lives simply, does not own a house or office, and has no staff, so administration costs are small, preferring to invest what he receives in taking the gospel to nations that cannot help cover, or even contribute, to the high cost of getting such places.

*If you would like Paul to come and be involved with your church, outreach, or ministry, we would ask that you bear this in mind realistically, as Paul does look to 'first world' invitations to help finance evangelism in third and developing world nations.*

Though he has no 'ministry' organisation, Paul does benefit from tax reclaimable/deductible giving in the UK (adding 28% to the gift), and the USA. If you are able to help send Paul to nations that many people don't want to go to, then it is possible to do that:

# Paul Bennison

*I heartily commend the ministry of Paul Bennison whom I believe to be called of God to rekindle our passion for Christ the Healer.*

**Rev. Dr Russ Parker,**  
Director, Acorn Christian Healing Foundation,  
Itinerant Preacher, Author

## CALLING

An English itinerant missionary, Paul became a committed Christian at the age of 18. Nine years working in a bank were followed by the call of God into mission, with British Youth for Christ in administration and schools evangelism.

Time studying at a Bible & Ministry Centre in 1984 was followed by 6 years as an elder, youth pastor, and schools worker in a church in southern England. In his youth group in then were a number of young men who have gone on to become the worship band 'Delirious'.

## MINISTRY

A radical change of direction occurred as God moved Paul from local church ministry into international mission. Following this call in 1988, Paul has had the privilege of ministering in some 100 countries, from China to Argentina, United States to Australia. He has experienced a tremendous anointing from the Lord in the area of healing. An Ordained minister, Paul preaches in churches across all denominations; has taught in many training and Bible schools worldwide; preached in settings of every conceivable type - palm branch and mud huts in Africa, dusty, drought-stricken Colombian bus parks, on a platform in Ghana with a nesting duck (!), meetings in Haiti with voodoo priests throwing curses, to auditoriums and churches of many sizes, and in conferences such as Detling Bible Week, Spring Harvest, and RAIN Healing Conference.

## HEALINGS

He has been blessed to have seen countless miracles, including blind eyes opening, deaf mutes hearing and speaking, cancers and AIDS healed, the paralyzed walking and running, and limbs growing. God has given him 'particular' faith for cancer and AIDS, stress-related illnesses (fibromyalgia/ME), scoliosis, and cirrhosis.

An exhorter and an encourager - Paul believes that God uses the foolish and the weak to overturn the wise and the strong, something he knows only too well as until his mid-thirties, he was one of the shyest people you could have met. However, he is now a man who lives to take literally the promise of Jesus that 'greater things will you do than I have done because I'm going to the Father' (John 14:12), and for others to believe it too.

Paul ministers with authority and power, and has experienced great exploits with God's anointing, and great backlash from the enemy. He has been supernaturally rescued by an angel from a car wreck - a brochure in itself!

For years, Paul has ministered in Cali, Colombia, where he has seen many great works of the Holy Spirit - hundreds saved, large numbers of prisoners finding faith in God, hospital wards being emptied of people healed by the power of the Holy Spirit.

## CHURCH & ACCOUNTABILITY

Paul is part of Restoration Christian Centre, a small but lovely church in Virginia, U.S.A, where he is currently based. He is part of a group of great men of God (two of whom have written commendations here) to whom he is accountable.

Paul owes much to many people, dead and alive, for investing in his life - Smith Wigglesworth, Tony Campolo, Ian Andrews, Clive Calver, Eric Delve, Graham Kendrick, Ishmael, Jackie Pullinger-To, his wonderful parents, and Roy Lanning, to name but a few... Also to many 'unknown' Chinese pastors who birthed in Paul the reality that 'if it is in the Bible, then it WILL happen...! Thank you, all of you!

*“For over 25 years I have seen Paul grow into a man who has served his passion for the healing gospel of Christ throughout the world. He has unfettered enthusiasm for the Good News of the Kingdom, as it is demonstrated in a miracle-working God, and is very close to the unquestioning faith of a child, which God honours. I am happy to commend him to other church leaders.”*

**Rev. Eric Delve**, Vicar, St Luke's Church, Maidstone, England, Itinerant Evangelist, Author

*“As a Pastor you are looking for people who can minister to your congregation in the supernatural and yet possess the ability to relate to people on various levels of life, Paul Bennison is that individual. He has encouraged us to reach for greater things that lie ahead in the areas of healing, the prophetic, and worship. I highly recommend Paul's ministry.”*
